ASSERTING HIS RIGHTS

Gen. Miles Declares Himself Supreme at Montauk

NO OTHER ORDERS BUT HIS TO BE OBEYED

Washington, Sept. 12.—Special—Now that his foot is on his native heath Gen. Miles is asserting his authority. He has announced that he is in supreme command at Montauk Point, and has already begun preparations for the abandonment of the camp, which he declares is in an unsanitary condition and badly suited for the purposes of a military camp. Before the close of the month every vestige of the camp will have disappeared, and its fever laden memory will alone remain. The commanding general has also instructed the officers at the camp to pay no heed to orders that may be issued by Gen. Shafter. This is looked upon as an unnecessary humiliation of the latter—the visiting upon his head of punishment for acts of the war department, for in retaining supreme command at Santiago notwithstanding Miles' presence Gen. Shafter was merely obeying orders from Washington. It is the general feeling here that Gen. Miles has made a mistake in thus venting his wrath upon Shafter. His quarrel is with Secretary Alger, who alone was responsible for Shafter's conduct. The latter as a good soldier had no alternative but to obey the orders he received from the secretary of war, and can be held guilty of only constructive disrespect to his superior officer.

Will Fix the Blame.

Washington, Sept. 12.—Special—The president has determined upon a thorough investigation of the alleged abuses in the conduct of the war. He has not yet selected all those who are to conduct the inquiry, but will do so in a few days. The commission will fix the responsibility for the selection of the camps in which troops were quartered as well as their management. It is hinted that other considerations than the good of the service influenced the selection of some of the camps. This the president is determined to find out if possible. Those who will compose the committee will be men of reputation and character whose report will carry weight with the people. The president is determined to fix the blame and let no guilty man escape.

Changes in Naval Stations.

Washington, Sept. 12.—Special—The battleship Texas will probably go to Manila to relieve the Olympia, Dewey's flagship, which needs a thorough overhauling. Work on the Iowa and Oregon will be rushed. They are scheduled to sail for Honolulu via the Straits of Magellan Sept. 20.

FISHER'S MEN ARE READY FOR WORK

LOCAL FOOTBALL MANAGER MAKES REPORT

Practice Work Under Way Today For The First Time This Year—But Three of Last Year's Players Report—Patterson, of Evansville, Will Try For Place.

John Fisher, of this city, who will manage the 1898 foot ball team at the state university, had his men out at Madison today for the first time this year. The showing they made was a very satisfactory one, and all Wisconsin is now looking forward to the good work expected of the Badger state eleven this fall.

Janesville players are noted for their absence this year. Brewer will not be a member of the eleven, and as for old players but three have made their appearance as yet.

Anderson at end, O'Dea at full back and Joliffe as sub half back of last year's eleven are the trio who are ready for work. Joliffe took Peele's place in the Chicago game when the former was injured, and made a creditable showing.

Wisconsin's loss is a severe one. In one bunch go Comstock, Hazzard, Riordan, Holmes, Forrest, Derr, Gregg, Cochems and Peele. In response to a circular which had been sent out to all respective candidates for the team answer was received from fifteen men stating that they would report for practice today. Most of these are second eleven men of last year. The positions the various candidates will try for are:

Guards—Rhong, Stergle. Tackles—A. Chamberlin, Granke, Larson, Mather, Gregg. Ends—Mather, Ed Cochems, Anderson, Quarter—Bradley, Wilson. Half-backs—Joliffe, Roy, Chamberlin. Full-back—O'Dea.

No candidate has appeared as yet for center, and if one is not discovered among the incoming freshmen he will have to be developed from among the candidates for guards. Among the new men who will report is Arthur Curtiss, who played tackle and end on the Madison high school team for the last four years. It is feared Curtiss will be found too light for tackle, but he should make a valuable man at end as he is fast, catches the ball well and is a sure tackler.

Paul Newman, who will try for half back, is also a member of the Madison high school team, and is well known in Janesville.

Strong Players.

Leon Patterson, of Evansville, will try for tackle. He has numerous friends in Janesville, having taken part in several high school athletic contests held here at the fair grounds.

Paul King will, of course, coach the team, and will report in Madison on September 18. James Temple, who trained the track team last spring, has been engaged as trainer and will be on hand tomorrow. Until the arrival of King the coaching will be in the hands of alumni who have played on Wisconsin teams in the past. They are: Walter Sheldon, '96, end; Walter Alexander, '97, tackle; John Richards, '98 full-back; Gus Pyre, '92, tackle; Jerry Riordan, '97, guard.

MADE THE TRIP THOUGH SICK

Fred Hunt, of Rockford, Risked His Life to Reach Home.

Of all the sick soldier boys that arrived in Janesville Saturday afternoon on the special train, there is little doubt but what Fred Hunt, of the Beloit company, was the sickest one of the entire lot. He was ill with typhoid fever and inflammation of the bowels, and was in a dying condition when the train left Janesville.

Hunt resides in Rockford, and enlisted in Co. E, while attending Beloit college. When orders were received in Jacksonville for the removal north of the First Wisconsin, Hunt and two of his sick comrades left their beds in a private hospital and boarded their train for home.

When the train reached Milwaukee one of the boys died, and the other was taken to the city hospital. Hunt, rather than go to the hospital, said he would risk the ride to Rockford. As last accounts he was still alive.

SCHOOL HAS BEGUN FOR THE FALL TERM

ALL THE TEACHERS ARE IN THEIR PLACES FOR WORK

Today Was Consumed in Enrolling And A signing Pupils to Seats—Needed Repairs Have Been Made—Attendance Promises to Be Large—The School For the Blind.

The fall term of the public schools began this morning. During the long summer vacation many needed improvements have been made in the school buildings. Fresh paint has covered up the marks of wear, and the scrubbing brush has removed the finger prints of the urchins who forgot during the last term that cleanliness was next to godliness.

The day was spent mostly in the work of enrolling the pupils and assigning them to their places in the school rooms. There were many new faces among the children, some of them making their first appearance at any school and others who have just come to Janesville to reside. All the teachers were in their places, refreshed by their summer's rest and prepared for the toll that looms up before them.

For the most part the pupils were dressed in their best, their parents being anxious that they should create a good impression at the beginning of the new year.

The State School for the Blind will begin its fall term on Wednesday, the 14th. The pupils have already begun to arrive. Up to noon today 113 pupils were enrolled, this being the largest number booked before the opening of any school year since the school was established. There were 132 enrolled during the last term, but not at the beginning. Miss Mabel Fairfield, a well known teacher of the blind from Milwaukee, will take the place of Miss Tuttle as teacher in the kindergarten, the latter having been married during the vacation. The buildings and grounds have been renovated and burnished and everything has been made as attractive as possible.

## WHAT SOLDIERS SAY.

ANESVILLE soldiers, while the First Regiment was en route for home, were asked by a representative of The Gazette to write a line or two concerning their camp life or their impressions of the south. Many complied, and the statements are appended.

It will be noticed that none of the boys are in love with the south. None of them criticize, and only the natural disadvantages of the camp are complained of. The reception given the soldiers at Milwaukee and Logansport, Ind., evidently impressed the boys deeply. The sentiments jotted down are as follows:

A. C. Rice  
As we are nearing home I am requested to say or write a few words concerning our experiences at Jacksonville. There has been a great deal of comment in regard to our condition and usage. As far as our usage is concerned, I will cut it short, and will say I think we have been used well, and will add "better than I expected" in instances especially as regards our food and government. But as to our condition, it has been bad, and I deem it the fault of circumstances rather than the fault of a person or persons. True, I have enjoyed comparatively good health and may not be able to voice the opinion of the opinion of the regiment, but I fail to see where any one could find fault except that we were kept a long time in one place and that in an unhealthy climate, especially for a northerner.

A. C. Rice, M. D.  
Co. A, First Regiment Wisconsin Volunteers.

Sergeant H. J. Manthel  
We didn't fight Spaniards, but we fought "greybacks." Give me the north every time. Jacksonville is all right—in its place—but let it stay there.

R. J. Linderman  
The south is about one hundred years behind times and about half civilized.

Bert Wallis  
Came home on the hospital train with Corporal Brown, and Coryell Brothers; had considerable difficulty in satisfying the appetites of the boys; in fact, am most starved, myself, but just wait until we get home.

Edward Willmott  
I do not care for the chance to be as sick in the army as some of the boys have been.

Edward Willmott, C. F. Miller  
Camp Cuba Libre is all right in its way, but it doesn't weigh very much with the first regiment.

J. H. Greenleaf  
I have my opinion of Florida, and have had it since the first month we were there, and I do not think I will go there again right away. The people of Wisconsin and the people of Florida have different opinions of the negro. The Florida people hate the colored people more than a rattlesnake. The negroes seem to be very sociable with the whites, but some of the whites haven't brains enough to appreciate it.

Corporal R. R. Smith  
Florida people are back numbers when compared with those of Indiana and Wisconsin—the ladies of Logansport and Milwaukee, for instance.

N. E. Winans  
I have always heard that Florida was a health resort, but I should judge from the way it is used by the First Wisconsin regiment that it is more healthy in the north.

A. G. Flint  
Now will be a good time to make sure that your hen houses are well locked.

Hugh Glennon  
Pay days were too far apart and weather most to warm.

Sergeant A. Thom  
I have seen the south and had all the swamp I want. I thank people for the reception given us on our return.

Corporal F. S. Brown  
I will never be seen south of Mason & Dixon's line again if I can find out exactly where it is located.

Carl Williams  
I came up on the first section and as we were pretty nearly starved when we reached Milwaukee, the people of Milwaukee were very kind and generous. They gave us a midnight supper and a good Turkish bath and a nice spring cot to sleep on and you bet it was a surprise to our bones and I can not say enough in

The negroes are free and so will we be—from Florida sands—and in Wisconsin's fair land we will dwell.

JAMES D. SYNNOTT.  
F. S. Reynolds  
I was given more flowers by the kind ladies of Milwaukee than I saw during the entire time I was in the south—the so-called land of flowers.

F. S. REYNOLDS.  
Corporal Chas. Suesmann  
Jacksonville, Fla., can't hold a candle to that Indiana town called Logansport for hospitality. Of course we except some Jacksonville citizens from the rule. CHAS. SUESMANN.

Sergeant B. E. Brown  
Florida—the suburb of hell.

B. E. BROWN.  
W. H. Jellyman  
The south is all right for northern people who go down to spend the winter, but it is no place for northern boys to go and camp in the swamp. The merchants robbed us on all fruit that a sick soldier could eat.

W. H. JELLYMAN.  
Patrick Cunningham  
I did not like to stay in Florida—too much sand and hot weather. I was four weeks in the Division hospital sick with typhoid fever. The Red Cross society and the people of Jacksonville did all they could to help me. So did my captain and first sergeant. I have no fault to find with the way I was used in my company. There is no place like Wisconsin.

## HAVERLY'S PLAY TONIGHT

They Are First Class As Usual and Draw Immense Houses

The Chicago Tribune has this to say of Haverly's opening performance in that city—a treat that will be afforded the people of Janesville at the Myers Opera House this evening:

In the entertainment offered last night the old fashioned idea of minstrelsy was still preserved, but many new features were introduced appropriate to the present time, which gave added interest to the whole.

To begin with, the scene is set to represent the gun deck of the battleship Olympia, it being a grand celebration of Dewey's victory at Manila. The entire company is dressed in uniforms and naval costumes. A marine band is on board as orchestra, the admiral is interloper and captains, lieutenants and ensigns are the end men, singers and the usual members of the regulation circle.

In this first part Billy Rice, with his funny, rolling white eyes and Frank Cushman afforded plenty of merriment, though so widely different and were warmly welcomed and applauded Charles E. Foreman who sang, "My Creole Sue," won merited approbation and John W. Early sang "My Mary Dear" in a manner which brought him several recalls and a huge bouquet of flowers. Other singers in the first part were Charles Whyte, Neil O'Brien, Buck Sheffer, Jack Blackford and Will Walling.

In the second part the Nichol sisters introduced a clever act. The regulation old-time ditty song and dance festival by the entire company was a picturesque scene, representing the darkey picking cotton. Dorley and Tenbrooke's eccentric musical act was one of the features of the evening. The big burlesque, "The Princess of Madagascar," which enlisted the services of the entire company, closed the program.

## ALBION FARMER FOUND DEAD

Supposed to Have Been Killed by His Runaway Team.

Edgerton, Wis., Sept. 12.—The dead body of Melvin Wood, a farmer living in the town of Albion, was found along the roadside two miles west of this city early Saturday morning. The body lay doubled up at the foot of a telegraph pole with a blanket encircling his head and a wagon box partially over him. The last seen of him alive was about 11 o'clock Friday evening when he left Edgerton for his home, driving a spirited team. It is supposed his team ran away, throwing him out against the telegraph pole at an angle in the road where he was found. A deep dent in the pole shows plainly where the rig struck it with considerable force. His head was badly bruised and his neck was also broken. The finding of several patches of blood a half mile this side of where Wood's body lay, and the failure to find as much money as was expected on his person leads to the conclusion that foul play had been practiced with some people. A coroner's jury empaneled by an Albion justice are taking testimony on the case this afternoon. Mr. Wood was about 40 years old and unmarried.

## PLEASED WITH THE FARE

Former Hotel Man Praises the Menu He Had at Jacksonville.

George Clark, a former clerk at the Grand Hotel, and a member of Company B, Fort Atkinson, is now in the city visiting friends. In speaking of life at Jacksonville Clark says that everything was managed in as good style as one could expect under the circumstances. The meals were wholesome, and although the menu did not embrace a varied assortment, what they had was well cooked and eatable at all times. Whenever the men complained of not having enough to eat it was generally the fault of the quartermaster, who didn't have nerve enough to stick up for his rights in the way of securing sufficient rations.

HIRAM MURDOCK leaves this evening on a two weeks' vacation. He goes from here to St. Paul and from there to Milwaukee, where he will act as ticket seller during the State Fair.

## INJURED BY A RUNAWAY

Will Sherman Badly Hurt and His Wife and Daughter Bruised.

On Saturday afternoon Will Sherman, of La Prairie, with his wife and daughter, were driving to Janesville when his horses took fright while going down the hill near G. A. Proctor's farm. All the occupants of the wagon were thrown to the ground, and Mrs. Sherman and daughter were badly injured, while Mr. Sherman sustained very severe internal injuries. He was brought to this city where Dr. James Mills attended him. It was found that his injuries were internal, and that considerable internal hemorrhage had occurred. He was taken to his mother's home on Locust street and cared for tenderly. It is not yet known how grave his hurts will prove to be, although hopes are entertained of a speedy recovery.

## INTENSE SUFFERING.

From Dyspepsia and Stomach Trouble.

Instantly Relieved and Permanently Cured By Stuart's Dyspepsia Tablets.

A New Discovery. But Not a Patent Medicine.

Dr. Redwell relates an interesting account of what he considers a remarkable cure of acute stomach trouble and chronic dyspepsia by the use of the new discovery, Stuart's Dyspepsia Tablets.

He says: The patient was a man who had suffered to my knowledge for years with dyspepsia. Everything he ate seemed to sour and create acid and gases in the stomach; he had pains like rheumatism in the back, shoulder blades and limbs, failure of appetite and loss of flesh; the heart became affected, causing palpitation and sleeplessness at night.

I gave him a powerful nerve tonic and blood remedies, but to no purpose. As an experiment I finally bought a fifty cent package of Stuart's Dyspepsia Tablets at a drug store and gave them to him. Almost immediate relief was given and after he had used four boxes he was to all appearances fully cured.

There was no more acidity or sour watery risings, no bloating after meals, the appetite was vigorous and he has gained between 10 and 12 pounds in weight of solid healthy flesh.

Although Stuart's Dyspepsia Tablets are advertised and sold in drug stores yet I consider them a most valuable addition to any physician's line of remedies, as they are perfectly harmless and can be given to children or invalids or in any condition of the stomach with perfect safety, being harmless and containing nothing but vegetable and fruit essence, pure pepsin and Golden Seal.

Without any question they are the safest, most effective cure for indigestion, biliousness, constipation and all derangements of the stomach however slight or severe.

Stuart's Dyspepsia Tablets are made by the Stuart Company of Marshall, Mich., and sold by druggists everywhere at fifty cents per package.

Suffered four years with female troubles. She now writes to Mrs. Pinkham of her complete recovery. Read her letter:

DEAR MRS. PINKHAM:—I wish you to publish what Lydia E. Pinkham's Vegetable Compound, Sensitive Wash and Liver Pills have done for me.

I suffered for four years with womb trouble. My doctor said I had falling of the womb. I also suffered with nervous prostration, faint, all-gone feelings, palpitation of the heart, bearing-down sensation and painful menstruation. I could not stand but a few minutes at a time.

When I commenced taking your medicine I could not sit up half a day, but before I had used half a bottle I was up and helped about my work.

I have taken three bottles of Lydia E. Pinkham's Vegetable Compound and used one package of Sensitive Wash, and am cured of all my troubles. I feel like a new woman. I can do all kinds of housework and feel stronger than I ever did in my life. I now weigh 131 1/2 pounds. Before using your medicine I weighed only 108 pounds.

Surely it is the grandest medicine for weak woman that ever was, and my advice to all who are suffering from any female trouble is to try it at once and be well. Your medicine has proven a blessing to me, and I cannot praise it enough.—Mrs. Lucy Goodwin, Holly, W. Va.

## TWO ARE WILLING TO SERVE.

Accept Appointments on the Peace Commission.

## HEAD OF GRAND ARMY IS ONE.

Col. Sexton and President Gilman, Head of Johns Hopkins University, Have Answered the Call of the President—Thorough Investigation Wanted.

Washington, Sept. 12.—The president has received replies from four of the men he asked to become members of the commission to conduct the war department inquiry. President Gilman, the head of Johns Hopkins university, and Col. Sexton, the commander of the Grand Army, have agreed to serve. Former Senator Gordon of Georgia has declined on account of the uncertain state of his health, and Lieut.-Gen. Schofield has begged to be excused, pleading other engagements.

The other five who were invited have not yet been heard from, but the president, it is said, is not very sanguine of receiving acceptances from enough of them to make a satisfactory commission in point of numbers. He wanted nine members, because they could divide themselves into subcommittees and thus shorten their labors and reach results more quickly.

The president will be satisfied with five, if he cannot get nine to serve, and he will endeavor to secure at least that number of men whose reputations are national. Otherwise he will leave the investigation to be made by congress.

The president has told his cabinet members and his callers that he desires the investigation to be most thorough, and that if the responsibility for mistakes or mismanagement can be fixed on any individual, high or low, rich or poor, the blame shall be attached where it belongs. He does not believe, he says, that Secretary Alger is to blame.

## Will Reward All Heroes.

Washington, Sept. 12.—The war department has issued an order directing the commanding officers of military departments, army corps and detached commands to send to the adjutant general as soon as practicable the names of such officers, both in the regular and volunteer service, as may be considered entitled to brevet commissions for "distinguished conduct and public service in the presence of the enemy." Rules have also been issued governing the award of medals to officers and enlisted men.

## Fourth's Sick on the Way.

Jacksonville, Fla., Sept. 12.—A special hospital train left Saturday night at midnight under the supervision of Lieutenant Galbraith, assistant surgeon of the Fourth Illinois, carrying eighty-seven sick men of that regiment on thirty-day furloughs. While some of the men are quite ill, most of them are weakened by camp work, etc., and require only a change of air to bring them back to their normal strength.

## Caroline Lost to Spain.

San Francisco, Cal., Sept. 12.—The Caroline group of islands, which this country contemplated seizing had the war with Spain prolonged, is undoubtedly by this time in the hands of the natives of the group, with the Spanish garrison wiped out. The American missionaries are probably safe, as they stand well with the natives, who, although they may not love the missionaries particularly, love Americans.

## Will Abandon Camp Wilkoff.

Camp Wilkoff, Montana Point, L. I., Sept. 12.—Positive orders have been received from Gen. Miles directing that Camp Wilkoff be broken as soon as possible. The sick have already been in process of transportation out for two days, and tomorrow the movement of all regular regiments to their barracks and station begins. All troops here will be sent away just as rapidly as transportation can be secured for them.

## Many Spanish Soldiers Sick.

Madrid, Sept. 12.—Of the 9,000 Spanish soldiers who have so far got back home from Cuba only 2,000 are reported well. Out of the number 140 died while crossing the sea and 300 others passed away after landing on their native soil. Nearly 800 more are in danger of dying and all those counted as well are in a weak condition.

## Will Pass Peace Bills Soon.

Madrid, Sept. 12.—It is believed in government circles that the bills authorizing the government to conclude peace and to alienate national territory, and granting indemnity to the cabinet for suspending the constitutional guarantees, will be passed by the cortes by Saturday at the latest.

## Indiana Boys Go Home.

Harrisburg, Pa., Sept. 12.—It was late Sunday afternoon when the four trains bearing the One Hundred and Fifty-ninth Indiana got away from Camp Meade. Two Pullmans with sick soldiers were attached to the last section.

## Porto Rican Troops to Parade.

New York, Sept. 12.—Col. Kimball, deputy quartermaster, has received an order from Gen. Miles setting forth that a parade of the returning Porto Rican troops will take place in this city next Saturday.

## Chill Looking for War.

Washington, Sept. 12.—Chilian agents are here securing from American naval officers their experiences in the war with Spain. This information is sought for the benefit of the Chilian navy in anticipation of war with Argentina.

## Wisconsin State Fair at Milwaukee.

## Milwaukee Industrial Exposition—Excursion Rates.

On account of the above event, the short line, Chicago, Milwaukee & St. Paul Ry will sell excursion tickets as follows: From September 10 to October 15, on Tuesday, Thursday and Saturday, good for return until the Monday following date of sale at a fare and a third. But from September 17 to 23 inclusive, the rate will be only half fare, good for return until September 24.

## Will Not Repeal Revenue Law.

Washington, Sept. 12.—The war revenue law will not be repealed at the next session of congress. Senator Allison is inclined to the belief that it will continue in force during the present fiscal year, if not longer. Some officials of the treasury department claim that it will be necessary or at least advisable to continue the present stamp taxes until the Dingley tariff law can be revised to produce more revenue.

## Annual Conference Is Ended.

Mishawaka, Ind., Sept. 12.—The annual conference of the Chicago synod of the German Methodist Protestant church closed here Sunday. Rev. Mr. Herringer and Rev. Mr. Nickell were elected to the board of moderators and Rev. Mr. Schlenker was chosen as secretary. The next conference will be held at Stevensville, Mich., the first Thursday in September, 1899.

## Cloudburst Hits Texarkana.

Texarkana, Ark., Sept. 12.—A veritable cloudburst struck Texarkana at 2 o'clock Sunday afternoon, rain descending in solid masses for four hours. The streets were torn up badly in places, many basements and houses were flooded and other damage was done. Trains are late and a number of bridges are reported washed out. The cotton crop will suffer.

J. Thompson, a telegraph lineman, and seriously injuring A. Bechtel, brakeman. None of the passengers were hurt.

## Rios Reports an Agreement.

Madrid, Sept. 12.—Gen. Rios, governor of the Visayas Islands and ad interim governor-general of the Spanish territory in the Philippines, has wired the government that he has arrived at "an understanding with the American authorities respecting the island of Luzon."

## Talks of the Money Market.

Washington, Sept. 12.—Secretary Gage does not think that the financial situation of the country is such as to call for any extraordinary financial steps by the treasury to relieve the stringency of the money market. He says that money is no closer today than it was a year ago.

## RESTING FROM THEIR HARDSHIPS

THE BOYS OF CO. A. ARE HAVING A GOOD TIME

All feel since their return to a healthy climate—where they will be mustered out yet in doubt—more of the sick are coming home.

The members of Co. A are enjoying themselves as best they can around town, and are already beginning to feel the good effects of the glorious climate of Wisconsin. They are visiting old friends throughout the city, and everywhere receive a cordial welcome. A week or two of rest, good food and pure air will restore the sick to their wonted health, and all will be ready to go where duty calls them.

**The Mustering Out.**  
Where and when the members of the First Wisconsin Regiment will be mustered out of service is a question that even Captain Hanson says he is at present unable to answer. "It may be at the end of our furlough," said Captain Hanson today, "but before that time we may again be pressed into service. When we are mustered out it will either be at Camp Harvey, Milwaukee, here in Janesville, or at Camp Douglas."

Fred Church, who was reported as entering the regular army, says that at present he has no such intention.

**Beloit Boy Dies.**  
Milwaukee, Sept. 12.—The first death of a returned soldier in Milwaukee hospitals occurred yesterday. Cassius J. Morris, sergeant of Company E, First Regiment Wisconsin volunteers, who was taken from the hospital train when the regiment reached this city in a low state, died yesterday at the emergency hospital. He was the son of Henry F. Morris, of Beloit, and his father, mother and only sister were with him when he died.

Sergeant Morris was taken down with malaria in the early part of July, but recovered sufficiently to be able to get about. Three weeks before leaving for Milwaukee he was prostrated, and when again taken from the train it was thought he could not survive the day. The body was taken to Beloit today.

Private W. G. Sleson, of Co. A., was taken seriously sick on the trip from Milwaukee to this city. He was taken to the Park Hotel, where he received every attention. Dr. J. B. Whiting, Sr., was assiduous in his attentions, and under his care the patient was soon on the road to recovery. This afternoon he was able to leave his bed, and will be himself again in the course of a few days.

**Sick Leave Jacksonville.**  
Jacksonville, Fla., Sept. 12.—Two sleepers with forty four convalescents of the First Wisconsin regiment left at 6:05 last evening. Private Myer, Co. L, was added and none were missed. Much praise is due to Mr. Keane and Capt. Jordan. Some of the boys were exceedingly happy. There is no physician on the train.

The men in the hospital are progressing well. Corps. Withner and Isley show slight gains. Frank Evans is not making good progress. The doctor says it will be several days before he can be moved.

About eighty more Wisconsin men are here in the second division hospital, anxiously awaiting for strength to travel.

**Those Left Behind.**  
While there was rejoicing in many households on Saturday at the return of loved ones from the military camp at Jacksonville, there was sorrow in a few. Four of the boys died in service. They were:

Private Harry L. Gifford.  
Private W. D. McNeil.  
Private Albert Swartz.  
Private Clark F. Osgood.  
The sick left at Jacksonville were: Corporal W. Kelpshield.  
Private L. H. Bond.  
Private Charles Canniff.  
Private R. C. Inman.  
Private J. B. Morton.  
Private Harvey F. Saltzer.  
Private Sofus Trolle.  
Private Charles Wheeler.

Those home on furlough, and who were present to welcome their comrades were:

Q. M. Serg. Elmore Hill.  
Sgt. B. E. Brown.  
Private H. R. King.  
Private A. L. Morgan.  
Private B. A. Mitchell.  
Private S. L. Sheldon.

Those left behind in addition to the sick, were:

Private W. G. Wray, detached, left behind at Second Division hospital as ward keeper with rank as hospital steward.  
Privates J. L. Fletcher and J. T. Atkinson, detached, left behind with ambulance corps, Second Division hospital.  
Private E. B. Halvorson, detached, serving in ambulance corps, Second Division hospital, returned as nurse, but goes to Jacksonville.

## "THE GAY MATINEE GIRL"

The Next Entertainment Promises To Be an Excellent One.

Manager Edwin P. Hilton, so well known as handling only the highest class of attractions, has added a third star to his splendid company, in last season's big success, "The Gay Matinee Girl," by engaging Miss Mattie Vickers to appear as "The Girl." Monroe and Hart made a lasting impression on the public; the entire production was an emphasis, but the coming season will surpass all records. Of the new star the Detroit Free Press says: "Mattie Vickers is unaffectedly fresh and buoyant. She seems to love her work and to put her whole heart and soul into it. She has a demonstrative personality and she knows how to exercise it. She has a style of her own, a novelty in her method and manner quite distinct from any other artist in her special line. She never misses a point in the words she has to utter whether humorous or pathetic. She can also deliver little bits of sentiment with exquisite tenderness. Her diction is really inspiring; we have not seen any one so full of animation and graceful ease. Criticism is unthought of in the presence of so strong and fascinating an individuality." The Gay Matinee Girl will be seen at the Myers Grand on Thursday evening, Sept. 15. Seats on sale at the box office Wednesday morning at 9 o'clock.

## CALLER AWAY FROM EARTH'S TROUBLES

HIRAM BUMP, AN OLD RESIDENT PASSES AWAY

Mrs. Effie Wilcox Was One of the Early Settlers and Prominent in Women's Organizations—Death Of Peter Withington, a Rough Rider.

Mr. Hiram Bump, whose illness was chronicled in The Gazette a few days ago, died on Saturday evening at 5 o'clock. Mr. Bump was one of the pioneers of Janesville. He was born in New York state in 1816. June 24, 1840, he was united in marriage to Laura O. Fellows. In 1855 they came to Janesville, where Mr. Bump has ever since been actively engaged in the grain and live stock business. He shipped the first car of live stock out of Janesville over the Chicago & Northwestern road. He was a well known figure in Janesville for many years and he also had an extensive acquaintance throughout the county. The funeral took place from the house this afternoon at three o'clock.

Kearn Brazzel.

The big flag hung at half mast over the Chicago & Northwestern round house Sunday as Kearn Brazzel, one of the veteran railroad men of the city, was laid to rest. Funeral services were held in St. Patrick's church at 3:30, many railroad men being among those present. When the remains were borne to the grave the pall bearers were Patrick Daly, Martin Delaney, William Cox, James Hagerty, Michael Mulquin and John Conway, four of whom had worked with the dead man for years on the C. & N. W.

Among those present from out of the city were Mrs. Philip Doyle, Chicago; P. Garrity, Chicago; Mrs. P. Cantillon, Milwaukee, and Miss Kate Cantillon, Milwaukee.

Kearn Brazzel was a man held in high esteem by his associates and all who knew him. Born in County West Meath, Ireland, in 1838 he would have been seventy years old this month. He came to Hartford, Conn., in 1839 and was employed in Hartford as a molder. There he married and soon after came west, settling in Janesville in 1853. He entered the employ of the C. & N. W. and for thirty-eight years was on the pay roll. For thirty years he was foreman. He had the road from Janesville to Milton, discharging every duty faithfully until his age made it necessary for him to retire from active service.

His health had been poor since last fall. Two weeks ago last Wednesday he was taken down and did not rally. Death resulted from the breakage down of old age. Besides the widow three children mourn his departure—Engineer W. H. Brazzel, of this city; P. J. Brazzel, of Chicago, and Miss Della Brazzel, of this city.

Mrs. Effie Wilcox.

The remains of Mrs. Effie Wilcox, whose death was recorded in Saturday's Gazette will be interred at Oak Hill tomorrow, the funeral services being held at 2 o'clock, Rev. E. J. Pano, of the Presbyterian church, officiating. The Order Eastern Star will have charge of the services at the grave. Mrs. Wilcox was born at Wilkesbarre, Pa., Feb. 27, 1839 and came to Milwaukee. About thirty-nine years ago she was married to John T. Wilcox. The wedding took place in this city. Mrs. Wilcox was a school-mate and a life long friend of the late Miss Frances E. Willard, of temperance fame. She was a charter member of Janesville Chapter, Order Eastern Star and also a charter member of Janesville Lodge, No. 171, Daughters of Rebekah. She was a woman of many virtues, a faithful and loving wife and a devoted mother. She leaves besides a husband four children, two girls and two boys, Mrs. Fred C. McLean, Mrs. John J. Jones, A. Lee Wilcox, and John T. Wilcox, Jr.; also two sisters, Mrs. Henry Gray and Mrs. Levi Pepper, of Aurora, Missouri.

Jeremiah Brewer.

Jeremiah Brewer, of the town of Albany, Green county, quietly passed away yesterday, the result of old age, he being nearly ninety-five years old. Mr. Brewer came with his family from eastern New York at a very early day when the only means of transportation to our most beautiful state was horses and lumber wagons, and most of the now beautiful highways were trails and fording, not bridges the way of crossing streams.

Mr. Brewer leaves to mourn his loss three sons and one daughter, all residents of Green county, the mother dying about six years ago. Mr. Brewer was a firm believer in the christian religion, lived an exemplary life and has now gone to his reward.

Roy Withington.

Roy Withington, a member of Col. Torrey's Rough Riders, who enlisted from Wyoming, died at Jacksonville last Friday. Roy was a son of Peter Withington, who served in the rebellion and was a member of the Thirteenth Rock County regiment and a brother of Chas. Withington, of this city. His father went to Florida, but too late to see his boy alive. The remains will be taken to his western home for burial.

J. Warren Hodgdon.

J. Warren Hodgdon, who has been in poor health for nearly a year and who for the last two weeks has been confined to his bed passed away peacefully at 12:16 this morning. Mr. Hodgdon was fifty eight

of age, being born in Dummer, Co. New Hampshire. He went into the railroad business soon after coming west and for thirty years was baggage-master for the Chicago & Northwestern road. More recently he has been in the coal business.

Besides a wife three children survive him—Harry Hodgdon, St. Louis, Miss Bertha Hodgdon, Chicago, and Mrs. Perry F. Brown, of this city.

The funeral will be held Wednesday afternoon at 2 p. m. from the home, 57 Terrace street. Odd Fellows will take charge of the services, Mr. Hodgdon having been a zealous member of the order. The interment will be in Oak Hill cemetery.

President on Mustering Out.

Washington, Sept. 12.—The president said to Senator Allison today that he had determined to muster out half of the volunteers in the ratio determined by the war department. He received requests from several states, including Illinois, but there will be no exception of the rule and no favoritism. He governors will be called upon to indicate which regiments shall go and which shall remain in the service. Only four Illinois regiments of infantry will be mustered out. The state furnished nine regiments and the president has decided that half of each state's number of regiments shall go. At the adjutant general's office it was said that three regiments from Illinois had already been mustered out and only one more would go—either the Second or Fourth, both of which are at Jacksonville. The chances seem to be in favor of the mustering out of the Fourth very soon.

Contract for Hawaii's Cable.

San Francisco, Cal., Sept. 12.—Gen. Alfred S. Hartwell, who arrived here on the steamer Coptic from Honolulu, left today for Boston with a contract which he says was consummated between the Hawaiian government before annexation and a syndicate of Boston capitalists, for the construction of a cable between San Francisco and Honolulu, and from there to Yokohama. The contract gives this syndicate an absolute monopoly of cable communication between Honolulu and Yokohama, but is silent regarding the right of competition between the islands and the United States.

## C. C. RUSSELL NAMED FOR ASSEMBLYMAN

YOUNG ATTORNEY CHOSEN BY THE DEMOCRATS

A. O. Wilson Withdrew His Name and George M. McKey Declared That He Was Not a "Silver Democrat"—The Choice Was Made On the First Formal Ballot.

For Assemblyman.....CHARLES C. RUSSELL Isaac F. Connors called the democratic assembly convention to order at 2:50 o'clock this afternoon. The convention was not called until that hour to give the delegates time to find a man who would run—an admittedly hard task. J. B. McLean's motion that I. F. Connors be elected chairman was carried. On motion of G. G. Sutherland, C. C. Russell was elected secretary. C. C. Russell moved that the convention proceed to nominate. Chairman Connors asked about a committee on credentials. Mr. Sutherland said this was unnecessary, as convention was in "adjourned session."

George M. McKey said the towns were represented. George Turk, one of the La Prairie delegates said the credentials of his town were presented to the former convention. Peter Skelly, of Rock, reported the same state of affairs. The town of Janesville was not represented. The names of the men named by Messrs. Turk and Skelly as having been duly elected were declared the delegates. On motion of George McKey, the delegates present were declared authorized to cast the full vote of the delegates.

J. B. McLean moved that an informal ballot be taken. Adopted. G. G. Sutherland moved that two tellers be appointed. The chair appointed J. B. McLean and P. J. Monat. The ballot resulted:

A. O. Wilson.....	3
J. J. Cunningham.....	2
J. J. Monat.....	1
J. F. Sweeney.....	1
J. H. McElroy.....	2
C. C. Russell.....	7
George M. McKey.....	2

Total.....28  
George M. McKey declared that he was not a "silver democrat."

A. O. Wilson said he was not a candidate. The formal ballot resulted:

J. F. Sweeney.....	2
J. J. Monat.....	1
G. G. Sutherland.....	1
G. M. McKey.....	6
C. C. Russell.....	14

Total.....24  
George M. McKey moved that Mr. Russell be declared the unanimous nominee of the convention. A. O. Wilson, in accepting the nomination, Russell said he questioned the form of the ballot but would work for it. He said the democrats wanted to make the campaign on state issues, the issues of free silver and pledged his best efforts. He thought it was a fair show for a caucus at to be elected.

The chair appointed J. B. McLean, A. O. Wilson and J. F. Sweeney in the assembly committee. The convention then adjourned.

THIRTY BURNED TO DEATH.

Holocaust in the Town of Jerome, Arizona.

FIFTEEN HUNDRED HOMELESS.

Fire Started During a Drunken Carousal, and the Whole City Was Soon in Ashes—Many Bodies Still in the Ruins—Other Fires.

Prescott, Ariz., Sept. 12.—The town of Jerome, near here, was completely wiped out: Sunday morning by fire, entailing a loss of over \$1,000,000 in property. Eleven bodies have so far been recovered, while a score or more are said to be in the ruins or missing.

The fire originated from a gasoline stove in a cabin and spread so rapidly and fiercely that it was impossible to save even the clothing.

The area of the fire was confined to a narrow gulch and ravines leading to it, in which were situated substantial wooden and stone buildings, the latter melting as rapidly before the flames as pasteboard. Over 150 residences averaging in value \$2,000, twenty-five general merchandise and other stores, saloons and other buildings of all kinds are wiped out. Not a single business house remains. The only building to escape was the Methodist church.

The number of people who are homeless is placed at 1,500, and they are being cared for by Giroux and Allen of the mining company.

Two special trains left here for the scene of the disaster, carrying tents and other material to comfort the distressed, and a meeting is being held here to raise money for the needy, of whom there are many. The loss is complete, but little insurance having been written in that camp, owing to the great risk and inadequate water supply.

Where the fire originated was the scene of a carousal and while no demonstrations are being made against the men who are responsible for it, when the horrors of the deed wear away from the victims attention will be given to the men who caused it. They are said to be Italians.

The fire started at 7 o'clock in the morning and spread with such rapidity that in less than two hours not a house in five blocks was left standing. On the other side of the gulch hundreds of pounds of giant powder was used in the attempt to arrest the flames by demolishing buildings, but eye witnesses say that as soon as a gap was made the scattered fragments were picked up as if by suction and thrown hundreds of feet in every direction, only to ignite and increase the fury of the fire.

It is said an entire family, consisting of a man and wife and three children, who endeavored to save what they had been years in accumulating, has been found in the ruins, and as the arrival from the scene reach the city the devastation reported is only the more pitiable and sad. Dr. Woods, the company physician, narrowly escaped losing all his patients in the hospital, but a score of inmates were saved by him by being removed early and hastily.

DEATHS IN PHILADELPHIA.

Gasoline Explosion Wrecks Houses and Kills or Injures Many.

Philadelphia, Pa., Sept. 12.—By the explosion of forty gallons of gasoline in the cellar of a grocery store at 1444 South street Sunday night four and possibly a dozen more lives were lost. The building where the explosion occurred and those adjoining it on either side collapsed. Four bodies have been recovered from the ruins, as follows: SAMUEL SCHATTENSTEIN, keeper of the grocery store.

ABRAHAM SCHATTENSTEIN, his 19-year-old son.

MAX GOLDBERG, a 10-month-old child.

UNIDENTIFIED GIRL, about 10 years old.

The injured in the hospitals are:

L. Schattenstein, aged 22 years; broken nose and laceration of the scalp.

Alexander Schattenstein, aged 6 years; lacerated scalp; condition serious.

Mary Healy, aged 65 years; fractured leg.

Annie McPhilly, 40 years old; contusion of ankle.

Harry Rothmel, 12 years old; lacerated scalp.

Maggie Goldberg, 32 years old; lacerated scalp.

Sarah Goldberg, 14 years old; lacerated scalp and contused ankle.

A. E. Fish, 30 years old; fireman of truck D; lacerated wound of scalp.

Yetta Goldberg, 9 years old; contusion of leg and back and lacerated wound of scalp.

Rose Schattenstein, 8 years old; lacerated finger.

How the explosion occurred is yet unknown. All three buildings were of brick, and three stories in height.

In the confusion and excitement following the disaster it is as yet impossible to secure anything like an accurate census of the occupants, but it is said the upper floors were crowded with families huddled together in tenement fashion. Coming as it did at the supper hour, it is feared the loss of life will be heavy. The list of injured persons will be long. They were taken to all the hospitals within a radius of a mile.

BURNED 327 BUILDINGS.

City of Westminster, British Columbia, Practically Destroyed.

Vancouver, B. C., Sept. 12.—The city of Westminster was wiped out by fire Sunday. About 327 buildings in the

heart of the city are in ruins and also the river wharves, stretching for over half a mile in front of the city. The total loss is estimated at over \$2,000,000.

The fire originated in some straw on Brackman & Ker's wharf. The flames were soon fanned by the high wind into a terrible fury, and, to the consternation of the fire department, it was discovered that the water reservoir for fire purposes had been allowed to run almost dry.

At 2 o'clock p. m., three hours after the fire started, the Vancouver firemen came on the scene. Not till then was any attempt made to stop the fire, which had covered six blocks one way and seven another, embracing an area of over a half mile square, and including the entire business portion of the city.

About 10,000 people are homeless. Five persons are reported missing, and two women who were ill are dying.

Masonic Temple Burns.

Springfield, Ohio, Sept. 12.—The Masonic temple at Washington Court-house, Fayette county, was destroyed by fire Sunday, together with several other buildings. The total loss is \$150,000, partly insured.

Red Bluff Is Scorched.

San Francisco, Cal., Sept. 12.—Fire at Red Bluff, the county seat of Tehama county, Sunday afternoon destroyed property valued at over \$100,000. The insurance is light.

HAZLETON MINERS PARADE.

First Anniversary of the Lattimer Shooting Is Observed.

Hazleton, Pa., Sept. 12.—The first anniversary of the Lattimer shooting, a year ago, was commemorated Saturday in this city by the United Mine Workers of the seventh district.

About 5,000 miners, representing all classes employed in the collieries of the region, paraded the streets of the city to music furnished by numerous bands and drum corps.

The American flag was carried at the head of every division and perfect order was preserved by all the men. After parading the mine workers assembled in the Slavonian cemetery, where addresses were made.

American Coal In British Ships.

Philadelphia, Pa., Sept. 12.—The British bark Gael has started for Buenos Ayres with 2,700 tons of American coal. Already this year British ships have carried American coal to London, to the Canaries and Azore Islands, to Greece, to South America, to the Philippines, and to Cape of Good Hope. That Great Britain is thoroughly alarmed over what is termed by her as an attempt to develop the exports from the American coal fields in foreign countries is apparent in the recent parliamentary returns just issued by that government in reference to the coal exports of Great Britain. The parliamentary report states that the shipments of American coal to Great Britain have for the first time become a reality rather than an anticipation.

The Way Is Almost Hedged With Guide-Posts.

Have you ever read a newspaper article, a glowing account of some incident told in elusive words to lead you on, and found it ended up with a proprietary medicine advertisement? Made you angry, didn't it? And were you convinced of the merit of the article? We think not, because it told the experience of some stranger in a far-away town. To take his word for it was it like "going it blind." It's a very different thing when a statement is prescribed from a citizen, from people we know, and that's the case here.

Mr. H. P. Hanson, of 108 Pleasant St., engineer, employed at the Jamesville Machine Co., says: "Doan's Kidney Pills did me all the good that could be expected and I recommend them to any one who may be troubled with a lame back or any kidney disorder. After procuring them at the Jamesville Co.'s drug store and taking them I felt better. My back did not ache like it did, and I did not rise in the morning with a lame and sore back. I suffered from these symptoms for four or five years and I was more than pleased at the results obtained from the use of Doan's Kidney Pills. I highly recommend this reliable remedy to others."
